	<p>subcommittee, email Blaine Linkous.</p> <ul style="list-style-type: none"> <li>• LID 2011 – Sept 25-28. Robert Traver is organizing; hotel in downtown Philadelphia. Let RT know if you have an idea for a session or track.</li> <li>• Technical Activities Executive Committee – DD – make sure there is not overstepping or duplicate work on committees’ tasks.</li> <li>• Green Highways and Green Streets – JG – still waiting for meeting minutes.</li> <li>• Design of Urban Runoff Controls MOP – RT – draft will be reviewed from scratch; email RT if you want to review.</li> </ul>	
3.	<p>Task Committees</p> <ul style="list-style-type: none"> <li>• George – Guidelines for Certification of Manufactured BMPs – nearing the end! Got comments and the workgroup is compiling comments and sections. Should be done by August.</li> <li>• Urban Stormwater Outreach Task Committee Update – nothing since May.</li> <li>• <b><i>Via email after the call.</i></b> Green Infrastructure/CSO Reduction TC initialized by Heather Seitz. Bill Lucas is working on the subject with regards to LID – RT says he may be focusing more on modeling. The thought is that perhaps we can work together with SWI taking the lead with a rep from the LID group. HS envisions a survey of projects and reviews and have a “living” database focused on CSO reduction as the deliverable (akin to the BMP database); the database may include cost, methods, point of contact and volume reduced.</li> </ul>	<p>George</p> <p>Rob</p> <p>Heather</p>
4.	<p>Other Items</p> <ul style="list-style-type: none"> <li>• Website is up and can be accessed from EWRI website.</li> <li>• Youn Sim from LA County offers his assistance to find local people to populate sessions at EWRI 2011.</li> </ul>	<p>Info</p>
